Example:

Books

Last Name, First Name. Name of the book. City of publication: Publisher’s name, Copyright Date.

Example:

On-Line Magazine Article

Author. “Title.” Journal Date. Date you visit the URL, URL address

Example:

Magazine Article

Author. “Title of article.” Name of magazine, date, pages.

Example:

**World Wide Web**

Author. “Title” Group Title. Date created. Institution. Date you saw it. URL

---

**Interview**

Last Name, First Name. Kind of interview. Date

Example:

Miles, Sam. Personal interview. 25 December 2007.

- Underline a title
- If a book or other material does not have an author, use the title in place of the author’s last name. One-page articles and encyclopedia articles do not need numbers.
- List entries in alphabetical order
- Indent the second line and double space between entries

---

**Templates**
